To: CHMCU Core Employees & Union Members
        CHMCU Admin & Union Hall

Subject: CHMCU Safety Portal - **Access Online Training**

Here is the link and instructions to access the CHMCU Safety Portal for online training. Use the hyperlink below or visit the CHMCU webpage;

www.chmcu.com

Then click on the "Safety Portal" tab in the upper right hand corner. You will then be prompted to enter the login information below.

Username: **chmcustudent**
Password: **chmcu5030**

Once you have logged into the Safety Portal, select the facility that requires the safety training from the list of Clients. If there are multiple facilities, select the Client and then select the facility that you will be working at. For example; click Georgia Pacific tab and then the Toledo facility.

You must then register yourself and create your own login information. Click on the Student Instructions PDF document for instructions on how to get yourself registered. Once you have registered, then click the link and get started with your newly created login information.   Look within the PDF "Student Instructions," for the safety link.

Retain your login (Username and Password) for the training you have completed for future training and for checking on your status. You can login into our Safety Portal anytime and check your status with any of the listed customers, if you know your Username and Password.

If you have any questions, contact the Safety Dept. of CH Murphy||Clark-Ullman, Inc. at 503.285.5030.
